

25/11/2020

Dear Associate Professor Steven Most,

<b>Project Title</b>	Classic studies in cognitive psychology
<b>File Number</b>	3404
<b>Re</b>	We would like to request permission to invite SciX (a UNSW run program that consists of high school students enrolled in science extension courses) students (and their friends and family) to complete the same experiment that was approved for projects 3271 and 3404. The new data will just be used as supplementary data would not be included in any formal analyses beyond the course assignments.

The modification to this project was **approved** by the **HREAP-C** on the above date. The following condition(s) must be met before data collection commences:

**Modification conditions of approval:**

N/A

The conditions of approval listed within the projects original approval letter still apply.

If you would like any assistance, or further information, please contact the ethics office on:

P: +61 2 9385 6222, + 61 2 9385 7257 or + 61 2 9385 7007

E: [humanethics@unsw.edu.au](mailto:humanethics@unsw.edu.au)

The **HREAP-C** wishes you continued success in your research.

Kind Regards,

EJ Kehoe/K. Martire/K Faasse

Please note this approval is not valid unless a convenor's signature appears at the bottom
